## Bugs

Does See All Bots display a list of all bots NO. REQUIRED CHANGE from botsArr to bots, as botsArr was undefined

If you win, does Wins increment: NO.  
If you win, Losses still increments.  
REQUIRED CHANGE:  
playerRecord.losses++  
res.status(200).send('You won!')  
CHANGED TO: playerRecord.wins++  
res.status(200).send('You won!')

Show all bots does not toggle bots back to hidden when clicked a second time. REQUIRED CHANGE: add hideAllBtn, add hideAllBtn to classList hide, add hideAllBots(...), add hideAllBtn.eventlistener, modify getAllBots() to include change from getAllBtn to getAllBtn ClassList hide and removing hideAllBtn from classList hide

Show all bots only displays one bot/line REQUIRED CHANGE: add class="container" to all-bots div
